

# 5th Grade Supply List

## SCES 2020-21

With transitions between teachers and travel between classrooms, these supplies will help your student stay organized and help our classes run smoothly. We commit to using each item for a very specific purpose. Your purchases will not be wasted, and we hope that this list will enable you to take advantage of store sales. Individual teachers may request additional supplies. Thank you for supporting our classrooms by stocking your student with these supplies. Please let us know of your questions and concerns.

*Looking forward to a great year!*
