

Social Circle City Schools

Serving Community & Cultivating Success

September 17, 2021

Dear SCCS Families,

We are pleased to report another **significant decrease** in our COVID-19 positive cases this week. We have had 3 straight weeks of declining rates of positive cases. This week is our lowest week of the 21-22 school year! Thank you for your support of our schools and district.

COVID-19 Status Report as of September 17 2021, at 12 pm

Total Number of In-Person Students and Staff: 2,213

Total Number of New COVID-19 Cases: 2

Percentage New COVID-19 positive: 0.09%

Please notify your child's principal immediately if your child has tested positive for COVID-19. When a positive case is diagnosed by a physician or by an approved test, our staff members will notify all individuals who meet the Department of Public Health's (DPH) Contact Tracing Guidelines. The DPH does not recognize results from home COVID-19 test kits, so we are not able to include those individuals in our count of cases. We are currently taking advantage of the DPH offer to allow flexibility with quarantines provided that exposed individuals remain asymptomatic and that they wear a mask for 14 days following exposure.

Masks are available on buses and at school for anyone needing one. Enhanced cleaning protocols continue to be utilized. Please encourage your child to wear a mask when social distancing is not possible, stay home when they are sick, and sanitize their hands regularly. We are currently taking advantage of the DPH offer to allow flexibility with quarantines provided that exposed individuals remain asymptomatic and that they wear a mask for 14 days following exposure. We aim to remain open for face-to-face instruction and need your continued support.

Sincerely,

Dr. Robbie Hooker
Superintendent
